Hi Kostas,

Thank you for your prompt response.

Would you happen to have written specifications in regards to size, shape, picture and wording.

Also any information on who designed the seal and which presiding judge adopted the seal and when would also be much appreciated.

Hello Ms. Figg,

I would like to ask you to clarify you request.

You requested:

"The purpose of this communication is to request certain copies of the official seals adopted by the Superior Court of California, County of []

Therefore, please provide a copy of the official seals adopted by the Superior Court of California, County of [] for each and every county in California that is on file with your department."

As it would not be correct of me to assume anything, what county are you referencing?

Please be more specific regarding "certain copies of the official seals"

Sincerely,
