Re: Your request for Judicial Administrative Records Pursuant to CA Rule of Court 10.500

Dear Ms. Figg,

The Court received your records request on May 30, 2019 via the US mail requesting information regarding the Siskiyou County Superior Court's official seal. The Superior Court of California, County of Siskiyou has adopted The Great Seal of the State of California by a unanimous vote of our Superior Court Judges on October 1, 2015 and pursuant to Government Code Section 68079.

The Great Seal of the State of California was adopted at the California state Constitutional Convention of 1849 and has undergone minor design changes since then, the last being the standardization of the seal in 1937. All specifications for the seal are pursuant to Government Code Section 68076. This Court uses both embossers and stamps.

Please be advised that the Court can charge fees that reflect the direct costs of duplication or production of any records request. In addition, fees can be charged that reflect actual costs of staff search, report running and review time expended on a commercial use request. Payment may be required before records are duplicated or produced. See rule 10.500(e) (4). Since no records are being reproduced or mailed, just this response, which is being sent via email, the Court will not be charging you a fee for this request.

Sincerely,

Reneé McCanna Crane
